
PROJECT BRIEF

Sample document for a Windows app demonstration

The task

Prepare a short project brief for an upload form.

What the reader needs

A readable document with the original layout intact.

Before sharing

Check every page and the saved file size.

Keep the original

Save a separate prepared copy. Keep this source file.

PROJECT BRIEF

Sample document for a Windows app demonstration

Review checklist

Read the headings, small text and page numbers.

File requirements

The receiving site decides which formats and sizes it accepts.

Quality matters

A smaller file can involve a quality tradeoff.

Demo boundary

This fictional sample is not a promise for every document.
